

CSA OLIVE PICKING October 9, 2022

11 am to 3 pm

Our olives are coming in quite nicely. Bring your friends and family out to the farm for a light lunch and a fun time picking olives to brine at home.

Homemade olives are delicious and make great holiday gifts!

This is an event is for Eatwell Farm CSA members and their guests. Tickets available [here](#). If you are bringing the kids along, they are free, but we ask that you

make a small donation for their lunch the day of.

You don't need much, a bucket or container to put your olives into. You are welcome to brine on the farm if you like or do that at home. The weather is very unpredictable this time of year, could be hot, could be rainy, so check the forecast for Dixon and dress appropriately.

If you are bringing kids, please email us a headcount so we can get the food right. Also email us if you have dietary restrictions, we do our best to accommodate everyone's preferences. organic@eatwell.com

MasterClass has a great and simple process for brining/curing olives. Here is a [link](#)

Any questions? Shoot us an email. Hope to see you on the farm!
